TEACHERS Remember When.....

Mrs. Reed: I remember the films we watched in grade 6 (room 103). I think Brendan O'Brien really enjoyed them! Amanda Rota introduced me to books by Mary Higgins Clark; I've enjoyed them all! I really want to thank the students in the Class of '99 for making that year terrific! They were a blessing in disguise....

Ms. McQuaid: ...Bob's candy at the House of Blues...Kenny apologizing to the man in the truck...THE PENNY WAR...50/50...Gaby bringing cookies while we watched soccer in the rain.....

Mrs. Nasuti: when Avon High School was called Avon Consolidated School and housed ALL Grades, 1 - 12.....I also remember when grades 7 and 8 were on split sessions....and when Mrs. Coit (the former school nurse) cut some wires that she thought were not in use and set off the fire alarm. This happened when the High School Accreditation team was here.....

Mrs. Mahoney.....when I forcefully ejected the barrel from the darkroom in Photo class....when I lipsynced "Johnny Angel" with Mrs. Conrad and Mrs. Miller...class of '99's Grade Eight yearbook staff...daily afternoon visits with Allyson...the ENTHUSIASM of the class of '99...Kristin's ambitious art projects...class murals in Art Studio....when you could see what's on my apron.....

Yearbook Production Staff

Jenn Bornstein, Kenny Briscoe, Shawn Calter, Allyson Dillingham, Erin Martin, Donna Papp, Kristin Rice, Amanda Rota, Dan Smith, Rene Stanley, Advisor: Mrs. Mahoney

The above people designed this book. Please THANK them for all their HARD WORK. We hope you like our product. A lot of love, care and decision making went into creating this presentation of your memories. The Advisor would like to ESPECIALLY thank Amanda Rota for being SO dependable WHENEVER she was needed; the book would never have been completed without her. Also, VERY SPECIAL THANKS to Kristin Rice, Erin Martin, and Allyson Dillingham for GIVING UP A MONDAY MORNING OF FEBRUARY VACATION to make sure the pages were completed in time for our final deadline.

Yearbook Business Staff

Brian Sass, Gaby LaPlante, Bryan DeSousa, Kristi Rice, Cailin d'Entremont, Dan Smith, Amanda Rota Sarah Connors, Sue Bell, Allyson Dillingham, Angela Vogel, Chris Fenore, Advisor (not pictured): Mr. Julien

Without these people, there would not have been enough MONEY to pay for the beautiful COLOR pages and the rest of the pages of this book. These people spent many hours during LAST SUMMER knocking on doors of local businesses, soliciting the advertisements that you see in the back of this book. SAY "THANK YOU" to them, and their devoted advisor, Mr. Julien.

Embarrassing Moments...

Sarah Connors- When Ange picked up my shirt and I flashed the whole library. **Sarah Cunningham-** Trying to find a place to hide with Jen and Vicki but me being the one walking in on the Janitor "sitting down"in the bathroom and getting locked in a locker with Kiona. **Jeanette Canning-**all I can say is ask Ms. Malcomson. **Guyflore Xavier-** When I was waiting for the bus with a short skirt on and Kharay put me on his shoulders and the public saw my underwear. **Yolanda Holland-** When Mr. Henderson yelled at me to stop flirting with all the boys. Then when the boys got on their feet and started to leave they all yelled "Bye Yolanda" **Lainie Cotell-**When I fell out of my chair in Psychology and everyone laughed at me. **Chris Pachas-** When I found out I had brown eyes. I have nothing else to say. **Dan Hart-** When Shawn C. and I crashed through the fence playing football. **Jomie Pierre-** When Guyflore dragged me all around school in front of everybody, and I started to pee on myself. **Kiona Washington-** the day I got locked in a locker in the shop by Sarah Cunnigham, I almost cried. **Allyson Dillingham-** When I told Mr. Giff that 12 was even and he put me in the "12 even box" for the rest of the year. **Susan Bell-** When I fell out of my chair at the '98 graduation while on stage. **Sherline Eugene-** While the whole class was silent, I sneezed and farted. **Paulack Fleury-** When Mr. Celli was talking about my purple scarf all loud in the hallway. **Brain Sass-** When Dan Smith pulled out my chair from under me during a lab in chemistry and Mr. Giff gave me a "0" for the day. **Donna Papp-** I was 8 1/2 mounths pregnant, at work, walking over to get pizza's, I tried to squeeze by Mike D. and we got stuck. All the coustomers were laughing. **Dan Smith-** Not having an embarassing moment. **Shawn Calter-** while talking to Rene, Craig and "toostie roll" in physics class then spitting my tooth across the room to the teachers desk. **Jenn Bornstein-** When me and Shawn C. got lost and ending up in Boston on the way from the bookstore. **Adam Murphy-** My whole high school career. **Joe Pisani-** When I forgot my shoes for the play, and Amanda Rota had to drive me home at about 65 to get back in time. **Jesse Pyne-** When I was quadruple tackled by Amanda, Sue, Sarah, and Al during gym. **Bob Buker-** I have never had an imbaeriszinng moment. **Jenn Tinglof-** When I spilled blue paint on myself in Art. **Rene Stanley-** Summer of '96 at Hampton, I was playing paddle-ball in my bikini and something happend to fall out as I was hitting it. **Gabrielle LaPlante-** Everytime I opened my mouth and had to eat my foot. **Kristin Rice-** When I tripped over my pocketbook in Mr. Butler's class. **Angela Vogel**- What's an embarrassing moment?

Just a Thought
23 Aug 98

Each person holds a place in the scheme of time. Each one serving their own purpose for the time at hand. We met at your time. My time. Our time. A time when I was just learning a loss, a time when you could simply enjoy the mere responsibility of filling a voic. His void. And now, as we both reach your departure, it is safe to conclude, it is now his time. Your time to become a void and his time to fill it. This time until forever and again.

The Way You Look
Tonight
Someday when I'm
awfully low
When the world is cold
I will feel a glow
Just thinking of you
And the way you look
tonight

O but you're lovely
With your smile so warm
And your cheeks so soft
There is nothing for me to
love you
Just the way you look
tonight
With each word, your
tenderness grows
Tearing my fear apart
And that laugh that
wrinkles your nose
Touchs my foolish heart
Lovely never never change
Keep that breathless
change
Won't your please arrange
it
Cause I, I love you
Just the way you look
tonight
Just the way you look
tonight

"Do not stand at my grave and
weep,
"I am not there, I do not sleep.
"I am a thousand winds that
blow;
"I am the diamond glints on
the snow.
"I am the sunlight on ripened
grain;
"I am the gentle autumn's rain.
"When you awaken in the
morning's hush,
"I am the swift uplifting rush

"I am the soft star that shines at

"The Friend Who Just Stands By"

When trouble comes your soul to try
You love the friend who just "Stands By"
Perhaps there's nothing she can do
The thing is strictly up to you:
For there are troubles all your own.
And paths the soul must walk alone:
Times when love cannot smooth the load,
But just to know you have a friend
Who will just "Stand By" until the end.
Whose understanding through all endures.
Whose warm hand clasp is always yours—
It helps, somewhat, to see you through,
Although there is nothing she can do.
And so with an eager heart you cry,
"God bless the friend who just Stands By"!

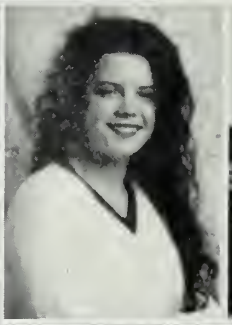

"This is the Time to Remember"

Congrats Manda,
I'm so proud of you!
Love,
Mom

If you can't be a pine on top of the hill,
Be a scrub in the valley-but b the best
little scrub by the side of the hill,
Be a bush if you can't be a tree
If you can't be a bush, be a bit of the grass
And some highway happier make:
If you can't be a muskie, then just be a bass-
But the liveliest bass in the lake!
We can't all be captains, we've got to be a
crew.There's something for all of us here.
There's big work to do and there's lesser to do
And the task we must do is near.
If you can't be a highway, then just be a trail,
If you can't be the sun, be a star;
It isn't true by size that you win or you fail-
Be the best of whatever you are!
